2017 Mental Hygiene Executive Summary
Orleans County Dept. of Mental Health
Certified: Mark O'Brien (5/12/16)

- *The Department's clinic satellites at the schools continue to be a success. The Department now has satellite clinics in the Holley, Kendall & Medina school districts. Albion has just recently agreed to a satellite in their school for this coming September.*
- *The reinvestment of Medicaid funds from the downsizing of State psychiatric and Article 28 beds has proven to be a major assistance to the system of care. The implementation of mobile crisis response teams, respite beds, improvement to the Mental Health Association support services has all been invaluable. A need for weekday coverage for a mobile mental health team for youth remains.*
- *The County had our initial mapping of the criminal justice-mental health interface system here on 3/31/16 for the Crisis Intervention Team (CIT) initiative. It was well attended by almost 30 stakeholders and facilitated by OMH. We are looking at the next steps for training of local law enforcement.*
- *The DSRIP movement continues and the County remains very active in the efforts through both FLPPS (Finger Lakes PPS) and Millennium (the ECMC-led PPS).*
- *The Department continues meeting with representatives from Oak Orchard and Orleans Community Health to research, develop and adopt models for integration of clinical processes for behavioral health and primary care. We continue to formulate our plans for Oak Orchard to co-locate here and OCMH to open satellites at their location, as well as Orleans Community Health's Albion site. Those meetings are going well, though there are barriers at the Federal and State levels around separate entrances and waiting rooms that we are trying to work through. At this writing, there is no resolution or guidance on the issue from DOH of barriers to integration.*
- *Work is ramping up on the Regional Planning Consortiums that will be instituted across the State. We will be part of an eight-county group for the western region.*
- *The County has met with DePaul to examine a proposal to build a 50-unit apartment building with half of the units devoted to serve individuals with mental illness. This would be considered supported housing with services embedded within. The other half will be for individuals or families that meet low income requirements. The initial meeting went well and a meeting with Albion officials is being scheduled.*

2017 Needs Assessment Report
 Orleans County Dept. of Mental Health (70250)
 Certified: Mark O'Brien (5/11/16)

Consult the LSP Guidelines for additional guidance on completing this exercise.

PART A: Local Needs Assessment

1. Assessment of Mental Hygiene and Associated Issues - In this section, describe the nature and extent of mental hygiene disabilities and related issues. Use this section to identify any unique conditions or circumstances in the county that impact these issues. You have the option to attach documentation, as appropriate.

We are in the process of integrating behavioral health and primary care providers under DSRIP guidelines. As a small county, we are able to bring providers together in these efforts. With the closing of the only 9:39 facility in the county, access to inpatient beds becomes an issue. Reinvestment resources of the State have been very helpful in creating mobile crisis intervention teams. Work has been completed to merge the Orleans County MHA and the Genesee County MHA. We are exploring having peer support and warm line capabilities available to the county.

2. Analysis of Service Needs and Gaps - In this section, describe and quantify (where possible) the prevention, treatment and recovery support service needs of each disability population, including other individualized person-centered supports and services. Describe the capacity of existing resources available to meet the identified needs, including those services that are accessed outside of the county and outside the funded and certified service system. Describe the gaps between services needed and services provided. Describe existing barriers to accessing needed services. Identify specific underserved populations or populations that require specialized services. You have the option to attach documentation, as appropriate.

Transportation and children's mobile crisis outreach services remain issues in the county.

3. Assessment of Local Needs - For each category listed in this section, indicate the extent to which it is an area of need by checking the appropriate check box under "High", "Moderate", or "Low" for each population: Youth (Under 21) and Adults (21 and Over). When considering the level of need, compare each issue category against all others rather than looking at each issue category in isolation. For each issue that you identify as a "High" need, answer the follow-up question to provide additional detail.

Issue Category	Youth (< 21)			Adult (21+)		
	High	Moderate	Low	High	Moderate	Low
Substance Use Disorder Services:						
a) Prevention Services	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
b) Crisis Services	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

Follow-up Questions to "Crisis Services" (Question 3b)

3b1. Briefly describe the issue and why it is a high need for the populations selected.

Follow-up Questions to "Opioid Treatment Services" (Question 3d)

3d1. Briefly describe the issue and why it is a high need for the populations selected.
There is a growing regional crisis in terms of opioid abuse and the need for effective treatment & intervention strategies.

Follow-up Questions to "Transportation" (Question 3h)

3h1. Briefly describe the issue and why it is a high need for the populations selected.

Local needs generally do not change significantly from one year to the next. It often takes years of planning, policy change, and action to see real change. In an effort to assess what changes may be happening more rapidly across the state, indicate below if the overall needs of each disability population got better or worse or stayed about the same over the past year.

4. How have the overall needs of the mental health population changed in the past year?

- a) Overall needs have stayed about the same.
- b) Overall needs have improved.
- c) Overall needs have worsened.
- d) Overall needs have been a mix of improvement and worsening.
- e) Not sure.

4a. If you would like to elaborate on why you believe the overall needs of the mental health population have stayed about the same over the past year, briefly describe here

5. How have the overall needs of the substance use disorder population changed in the past year?

- a) Overall needs have stayed about the same.
- b) Overall needs have improved.
- c) Overall needs have worsened.
- d) Overall needs have been a mix of improvement and worsening.
- e) Not sure.

5c. If you would like to elaborate on why you believe the overall needs of the substance use disorder population have worsened over the past year, briefly describe here

6. How have the overall needs of the developmentally disabled population changed in the past year?

- a) Overall needs have stayed about the same.
- b) Overall needs have improved.

- c) Overall needs have worsened.
- d) Overall needs have been a mix of improvement and worsening.
- e) Not sure.

6a. If you would like to elaborate on why you believe the overall needs of the developmentally disabled population have stayed about the same over the past year, briefly describe here

In addition to working with local mental hygiene agencies, LGUs frequently work with other government and non-government agencies within the county and with other LGUs in their region to identify and address the major issues that have a cross-system or regional impact. The following questions ask about the nature and extent of those collaborative planning activities.

7. In the past year, has your agency been included in collaborative planning activities related to the Prevention Agenda 2013-2018 with your Local Health Department?

- a. Yes
- b. No

7a. Briefly describe those planning activities with your Local Health Department.

Strong ongoing participation in the regional MEB Committee.

8. In the past year, has your agency participated in collaborative planning activities with other local government agencies and non-government organizations?

- a. Yes
- b. No

8a. Briefly describe those planning activities with other local government agencies and non-government organizations.

We are actively involved with the regional PPS's as well as doing collaborative planning with six other county LGU/provider organizations.

9. In the past year, has your agency participated in collaborative planning activities with other other LGUs in your region?

- a. Yes
- b. No

9a. List each activity and the LGU(s) involved in that collaboration and provide a brief (one or two sentence) description of the activity.

Working on both a Regional Planning Consortium and a regional provider network of county-run providers.

9b. Did your collaborative planning activities with other LGUs in your region include identifying common needs that should be addressed at a regional level?

- a. Yes
- b. No

9c. Did the counties in your region reach a consensus on what the regional needs are?

- a. Yes
- b. No

2017 Multiple Disabilities Considerations Form
Orleans County Dept. of Mental Health (70250)
Certified: Mark O'Brien (3/15/16)

Consult the LSP Guidelines for additional guidance on completing this form.

LGU: Orleans County Dept. of Mental Health (70250)

The term "multiple disabilities" means, in this context, persons who have at least two of the following disabling conditions: a developmental disability, a mental illness, or an addiction. In order to effectively meet the needs of these individuals, several aspects should be addressed in a comprehensive plan for services. Accordingly:

1. Is there a component of the local governmental unit which is responsible for identifying persons with multiple disabilities?

- Yes
- No

If yes, briefly describe the mechanism used to identify such persons:

2. Is there a component of the local governmental unit which is responsible for planning of services for persons with multiple disabilities?

- Yes
- No

If yes, briefly describe the mechanism used in the planning process:

The LGU utilizes the feedback obtained through the adult and child SPOA Committees to plan for services delivered to persons with multiple disabilities. These committees meet on a monthly basis.

3. Are there mechanisms at the local or county level, either formal or informal in nature, for resolving disputes concerning provider responsibility for serving persons with multiple disabilities?

- Yes
- No

If yes, describe the process(es), either formal or informal, for resolving disputes at the local or county level and/or at other levels of organization for those persons affected by multiple disabilities:

If a dispute arises among providers as to which is responsible for serving a person with multiple disabilities, the Director of Community Services becomes involved to make a determination.

Mental Hygiene Priority Outcomes Form
Orleans County Dept. of Mental Health (70250)
Plan Year: 2017
Certified: Mark O'Brien (5/10/16)

Consult the LSP Guidelines for additional guidance on completing this form.

2017 Priority Outcomes - Please note that to enter information into the new items under each priority, you must click on the "Edit" link next to the appropriate Priority Outcome number.

Priority Outcome 1:

Help reduce the incidence of suicide in Orleans County by educating the community about suicide, the prevention of suicide, resources available and to support survivors of a suicide loss.

Progress Report: (optional) **new*

Priority Rank: 1

Applicable State Agency: OMH

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- Population Health Improvement Plan (PHIP)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)

Is this priority also a Regional Priority? **new* Yes

Strategy 1.1

Increase awareness and knowledge among the target audience of warning signs, risk factors, and the interventions to prevent suicide by providing trainings to key constituencies in Safetalk and recognition of the warning signs of suicide, via the Suicide Prevention Coalition and/or the Department.

Applicable State Agency: OMH

Strategy 1.2

The Suicide Prevention Coalition will develop and implement presentations and support resources for survivors of suicide. This will include a community-wide summit and a number of smaller, targeted presentations.

Applicable State Agency: OMH

Strategy 1.3

Foster the development and work of the Orleans County Suicide Prevention Coalition by developing and implementing strategies to increase membership in the Coalition.

Applicable State Agency: OMH

Strategy 1.4

Integrate the utilization of evidence-based suicide ratings scales (such as the Columbia Suicide Severity Rating Scale) into operations and the electronic health record in the clinic.

Applicable State Agency: OMH

Strategy 1.5

Develop and implement increased support resources for youth for suicide prevention via presentations, support groups, peer resources and social media

Applicable State Agency: OMH

Strategy 1.6

Explore options for crisis intervention teams for intervening with youth during the weekday hours (9-5, M-F).

Applicable State Agency: OMH

Priority Outcome 2:

To address the unmet community need for short-term residential care for individuals with mental health issues. Provide crisis/respite bed services.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agency: OMH

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018

- Population Health Improvement Plan (PHIP)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- Adult Medicaid Behavioral Health Managed Care Implementation
- OMH Transformation Plan

Is this priority also a Regional Priority? **new* Yes

Strategy 2.1

Explore and identify options for handicap accessibility in new or existing respite apartments
Applicable State Agency: OMH

Strategy 2.2

Explore and identify mechanisms to access crisis respite beds for consumers during off-hours by crisis teams.
Applicable State Agency: OMH

Priority Outcome 3:

Increase the awareness and proficiency of clinicians working with co-occurring disorders.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agency: OMH

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- The State Health Innovation Plan (SHIP)/State Innovation Models (SIM)
- Population Health Improvement Plan (PHIP)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- Adult Medicaid Behavioral Health Managed Care Implementation
- Combat Heroin and Prescription Drug Abuse

Is this priority also a Regional Priority? **new* Yes

Strategy 3.1

Clinic staff will participate in clinical trainings in the areas of diagnosis and treatment of substance abuse disorders, using the Fully Integrated Treatment model, with a target of 75% of the staff trained in this area by 2017.
Applicable State Agency: OMH

Strategy 3.2

Clinic leadership and staff will participate in DDCMHT (Dual Diagnosis Capability in Mental Health Treatment) training with a goal of assessing and enhancing the clinic's competency for treating co-occurring disorders.
Applicable State Agency: OMH

Strategy 3.3

The clinic will evaluate and incorporate evidence-based SUD (Substance Use Disorder) screening tools (such as CAGE-AID, AUDIT-C or DAST 10) into clinical practice.
Applicable State Agency: OMH

Strategy 3.4

The clinic will evaluate and incorporate evidence-based smoking cessation tools into clinical practice. The clinic will partner with GCASA and Tobacco-Free NY to provide training
Applicable State Agency: OMH

Priority Outcome 4:

To become more community-based and accessible by establishing satellite mental health clinics in alternative settings throughout the county.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agency: OMH

Aligned State Initiative: **new*

Is this priority also a Regional Priority? **new* No

Strategy 4.1

Develop and implement a planned expansion of mental health clinic services to target locations. Implement a second satellite in the Kendall School District and explore the feasibility and desirability of a satellite in the Albion School District.

Applicable State Agency: OMH

Strategy 4.2

Evaluate the operational effectiveness of the new satellites to improve accessibility and performance by developing performance measures in conjunction with the host school districts.

Applicable State Agency: OMH

Priority Outcome 5:

To effectively meet the mental health treatment needs of Orleans County residents in partnership with the identified community agencies.

Progress Report: (optional) **new*

Priority Rank: 5

Applicable State Agency: OMH

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- The State Health Innovation Plan (SHIP)/State Innovation Models (SIM)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- OMH Transformation Plan

Is this priority also a Regional Priority? **new* Not Sure

Strategy 5.1

Assess community needs for additional services and programs. Partner with NYAPRS to do peer-run groups informational panels, and school and community forums to include such topics as depression, trauma and support for survivors of suicide.

Applicable State Agency: OMH

Strategy 5.2

Explore the development and implementation of outreach utilizing peer recovery services.

Applicable State Agency: OMH

Strategy 5.3

Develop and implement a marketing strategy to promote LifeLine services and resources.

Applicable State Agency: OMH

Strategy 5.4

The County will develop a mechanism for data collection and analysis for the purpose of evaluation of program effectiveness and utilization by identifying service needs and gaps. The County will work with the Sheriffs' Department to provide data for emergency calls related to behavioral health emergencies.

Applicable State Agency: OMH

Strategy 5.5

Develop and implement a strategy for warm line utilization provided by the Mental Health Association of Genesee and Orleans Counties (MHAGO) and promote warm line networking with LifeLine

Applicable State Agency: OMH

Strategy 5.6

The Department will assist and support the development and implementation of Crisis Intervention Teams for law enforcement in the county.

Applicable State Agency: OMH

Strategy 5.7

The Department will coordinate efforts to reduce the involvement of individuals with mental illness with the judicial system by developing and implementing a community-wide jail diversion and reintegration program.

Applicable State Agency: OMH

Strategy 5.8

The Department will enhance mental health services to incarcerated individuals in the Orleans County jail by developing and implementing improved forensic mental health services there.

Applicable State Agency: OMH

Priority Outcome 6:

To educate the community about available mental health resources.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agency: OMH

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- The State Health Innovation Plan (SHIP)/State Innovation Models (SIM)
- Population Health Improvement Plan (PHIP)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- Adult Medicaid Behavioral Health Managed Care Implementation
- Child Medicaid Behavioral Health Managed Care Implementation
- OMH Transformation Plan

Is this priority also a Regional Priority? **new* Not Sure

Strategy 6.1

The department will present information to key stakeholder groups and the public on the availability and accessibility of local mental health services and resources.
: The Department will implement and promote open access and increased group services in the mental health clinic.

Applicable State Agency: OMH

Priority Outcome 7:

To address the employment needs of adults with mental health issues.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agency: OMH

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- The State Health Innovation Plan (SHIP)/State Innovation Models (SIM)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- OMH Transformation Plan

Is this priority also a Regional Priority? **new* Yes

Strategy 7.1

The Arc of Orleans County will investigate and delineate opportunities to train and support individuals with mental health issues in employment throughout the Orleans County community. The Arc will develop a roster of alternative employment and training resources for eligible individuals through Peer Bridger services.

Applicable State Agency: OMH

Priority Outcome 8:

Achieve the integration of behavioral health and primary care services in collaboration with community-based partners.

Progress Report: (optional) **new*

Priority Rank: 3

Applicable State Agencies: OASAS OMH

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- The State Health Innovation Plan (SHIP)/State Innovation Models (SIM)
- Population Health Improvement Plan (PHIP)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- Adult Medicaid Behavioral Health Managed Care Implementation
- Child Medicaid Behavioral Health Managed Care Implementation
- OMH Transformation Plan

Is this priority also a Regional Priority? **new* Yes

Strategy 8.1

Establish protocols, processes and mechanisms for service integration at primary care sites and behavioral health (mental health and chemical dependency) sites.

Applicable State Agencies: OASAS OMH

Strategy 8.2

Establish behavioral health satellite clinics at Oak Orchard and Orleans Community health sites.

Applicable State Agency: OMH

Strategy 8.3

Establish a primary care satellite clinic operated by Oak Orchard at the Orleans County Department of Mental Health site.

Applicable State Agency: OMH

Priority Outcome 9:

To reduce the incidence of alcohol and substance abuse in the County by increasing the availability and use of evidence-based Medication Assisted Therapy (MAT) services to include all patients with Alcohol dependence and Opiate dependence diagnoses.

Progress Report: (optional) **new*

Priority Rank: 2

Applicable State Agency: OASAS

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- The State Health Innovation Plan (SHIP)/State Innovation Models (SIM)
- Population Health Improvement Plan (PHIP)
- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- Adult Medicaid Behavioral Health Managed Care Implementation
- Child Medicaid Behavioral Health Managed Care Implementation
- Combat Heroin and Prescription Drug Abuse

Is this priority also a Regional Priority? **new* Yes

Strategy 9.1

The County contract agency, GCASA, will expand from its offerings of medications to include Vivitrol, Naltraxone and Suboxone. GCASA will expand programming to include education to all patients who present as benefiting from MAT.

Applicable State Agency: OASAS

Strategy 9.2

To make available the use of Narcan kits to first responders, treatment staff and family members of opiate-addicted residents. Due to an increase in Opioid-related accidental overdose deaths, there is a need in Orleans County to increase the amount of individuals trained to administer Narcan. GCASA will offer trainings to first responders, law enforcement, clinical staff and family members.

Applicable State Agency: OASAS

Strategy 9.3

Increase the number of Suboxone prescribers in the county through networking, outreach and encouraging providers to complete the NYS trainings in the provision of Suboxone.

Applicable State Agency: OASAS

Strategy 9.4

GCASA will present on MAT to four key constituencies, such as Health Department, Mental Health, jail staff and Sheriff's Department.

Applicable State Agency: OASAS

Priority Outcome 10:

Reduce recidivism in the criminal justice system due to criminal activity related to substance abuse/dependency by providing effective chemical dependency education and treatment linkages at the jail.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agencies: OASAS

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018
- Population Health Improvement Plan (PHIP)
- Combat Heroin and Prescription Drug Abuse

Is this priority also a Regional Priority? **new* Yes

Strategy 10.1

GCASA will complete assessments for inmates seeking access to an inpatient level of SUD (Substance Use Disorder) treatment post-release.

Applicable State Agency: OASAS

Strategy 10.2

GCASA will provide 8 weeks of group substance abuse education to inmates to encourage and enhance their entry into post-release treatment.

Applicable State Agency: OASAS

Strategy 10.3

GCASA will collect data on the prevalence of SUD's for incarcerated Orleans County residents.

Applicable State Agency: OASAS

Strategy 10.4

GCASA will develop and implement post-release linkage mechanisms for services for sentenced inmates that improve engagement in treatment.

Applicable State Agency: OASAS

Priority Outcome 11:

To reduce the incidence of problem gambling in the County by increasing community awareness and utilization of Gambling Treatment Services.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agencies: OASAS

Aligned State Initiative: **new*

- The Prevention Agenda 2013-2018

Is this priority also a Regional Priority? **new* Not Sure

Strategy 11.1

GCASA, will develop and implement through its prevention program, an education session on problem gambling. GCASA will meet with a minimum of five community groups in Orleans County to provide presentations on problem gambling.

Applicable State Agency: OASAS

Strategy 11.2

GCASA, will track, through its outpatient program, all screens for problem gambling and offer education and treatment to all patients in the core group receiving a positive screen.

Applicable State Agency: OASAS

Priority Outcome 12:

To further develop and bring awareness of Spanish speaking treatment services in Orleans County.

Applicable State Agency: OASAS

Priority Outcome 14:

Adequate and accessible respite services in Orleans County continue to be a struggle for people with developmental disabilities. Orleans County desires to offer a wider variety of overnight and day respite services for families that include OPWDD recipients.

Progress Report: (optional) **new*

Priority Rank: 4

Applicable State Agencies: OPWDD

Aligned State Initiative: **new*

- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- OPWDD People First Transformation

Is this priority also a Regional Priority? **new* Yes

Strategy 14.1

The contract agency will work with families to recruit potential respite providers and increase opportunities for self-directed respite in the community. The Arc of Orleans will also research overnight respite funding opportunities with the goal of increasing the options for respite in the county and will target implementing one to two overnight respite beds during this period.

Applicable State Agency: OPWDD

Priority Outcome 15:

The County desires to continue providing vocational services to adults with developmental disabilities residing in Orleans County. The County desires to continue to develop additional job opportunities for the developmentally disabled within the community.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agencies: OPWDD

Aligned State Initiative: **new*

- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- OPWDD People First Transformation

Is this priority also a Regional Priority? **new* Yes

Strategy 15.1

The contract agency, Arc of Orleans County, will work to develop new job placements and prevocational training opportunities for community integration. This will include: 1. The Arc of Orleans County will work towards developing three (3) new job placement sites, individual and/or enclave sites. 2. The Arc will seek to develop three new evaluation sites for Pathways to Employment. 3. The Arc will evaluate its current sheltered workshop and job evaluation programs and develop a plan for integration that complies with OPWDD guidelines.

Applicable State Agency: OPWDD

Strategy 15.2

The Arc of Orleans County will provide vocational services such as prevocational and vocational evaluation services to adults with developmental disabilities residing in Orleans County. The Arc of Orleans County will explore opportunities for collaborative vocational programming with the Mental Health Association of Genesee and Orleans Counties.

Applicable State Agency: OPWDD

Priority Outcome 16:

Orleans County desires to meet housing needs for its community members with disabilities.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agencies: OPWDD

Aligned State Initiative: **new*

- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- OPWDD People First Transformation

Is this priority also a Regional Priority? **new* Yes

Strategy 16.1

The ARC of Orleans will explore new strategies and funding streams to develop housing options for people with disabilities in the community. This will include: 1. The Arc will explore and assess non-certified housing opportunities for people with disabilities that will more closely mirror housing opportunities for people without disabilities. 2. The Arc will explore partnerships and collaborations for developing affordable housing options that will include other populations. 3. The Arc will promote inclusion of family involvement in the design and implementation of new affordable housing options.

Applicable State Agency: OPWDD

Priority Outcome 17:

Individuals and families with developmental disabilities will be prepared for enrollment in managed care.

Progress Report: (optional) **new*

Priority Rank: *Unranked*

Applicable State Agencies: OPWDD

Aligned State Initiative: **new*

- Medicaid Delivery System Reform Incentive Payment Program (DSRIP)
- Adult Medicaid Behavioral Health Managed Care Implementation
- Child Medicaid Behavioral Health Managed Care Implementation
- OPWDD People First Transformation

Is this priority also a Regional Priority? **new* Not Sure

Strategy 17.1

The Arc of Orleans County will prepare families/individuals with developmental disabilities for a managed care environment. The Arc of Orleans County will develop systems and mechanisms to educate families. The Arc of Orleans County will educate families on system changes as they arise.

Applicable State Agency: OPWDD

OMH Transformation Plan Survey
Orleans County Dept. of Mental Health (70250)
Certified: Mark O'Brien (3/15/16)

Consult the LSP Guidelines for additional guidance on completing this exercise.

The OMH Transformation Plan aims to rebalance the agency's institutional resources by further developing and enhancing community-based mental health services throughout New York State. By doing so the Plan will strengthen and broaden the public mental health system to enhance the community safety net; allowing more individuals with mental illness to be supported with high quality, cost-effective services within home and community-based settings and avoid costly inpatient psychiatric stays.

Beginning with the State fiscal year (SFY) 2014-15 State Budget and continuing through SFY 2015-16, the OMH Transformation Plan "pre-invested" \$59 million annualized into priority community services and supports, with the goals of reducing State and community-operated facilities' inpatient psychiatric admissions and lengths of stay. In addition, \$15 million has been reinvested from Article 28 and 31 inpatient facilities to further support the OMH Transformation Plan goals.

1. Did your LGU/County receive OMH Transformation Plan Reinvestment Resources (State and Locally funded) over the last year?

- a) Yes
- b) No
- c) Don't know

If "Yes":

Please briefly describe any impacts the reinvestment resources have had since implementation, particularly as it relates to impacts in State or community inpatient utilization. If known, identify which types of services/programs have made such impacts.

Reinvestment funds were critical in enhancing (or creating) community-based supports. These include: Adult & children crisis intervention teams (created) Crisis respite beds operationalized. Orleans LIFELINE instituted Suicide Prevention Coalition underway. Mental Health Association programming enhanced

2. Please provide any other comments regarding Transformation Plan investments and planning.

These are all new investments from Article 28 closures. They are beginning to have a positive impact on community-based interventions, though measures of impact are not readily available.

2017 Mental Hygiene Local Planning Assurance
Orleans County Dept. of Mental Health (70250)
Certified: Mark O'Brien (5/11/16)

Consult the LSP Guidelines for additional guidance on completing this form.

Pursuant to Article 41 of the Mental Hygiene Law, we assure and certify that:

Representatives of facilities of the offices of the department; directors of district developmental services offices; directors of hospital-based mental health services; directors of community mental health centers, voluntary agencies; persons and families who receive services and advocates; other providers of services have been formally invited to participate in, and provide information for, the local planning process relative to the development of the Local Services Plan;

The Community Services Board and the Subcommittees for Alcoholism and Substance Abuse, Mental Health, and Developmental Disabilities have provided advice to the Director of Community Services and have participated in the development of the Local Services Plan. The full Board and the Subcommittees have had an opportunity to review and comment on the contents of the plan and have received the completed document. Any disputes which may have arisen, as part of the local planning process regarding elements of the plan, have been or will be addressed in accordance with procedures outlined in Mental Hygiene Law Section 41.16(c);

The Community Services Board and the Subcommittees for Alcoholism and Substance Abuse, Mental Health, and Developmental Disabilities meet regularly during the year, and the Board has established bylaws for its operation, has defined the number of officers and members that will comprise a quorum, and has membership which is broadly representative of the age, sex, race, and other ethnic characteristics of the area served. The Board has established procedures to ensure that all meetings are conducted in accordance with the Open Meetings Law, which requires that meetings of public bodies be open to the general public, that advance public notice of meetings be given, and that minutes be taken of all meetings and be available to the public.

OASAS, OMH and OPWDD accept the certified 2017 Local Services Planning Assurance form in the Online County Planning System as the official LGU assurance that the above conditions have been met for the 2017 Local Services planning process.
