## Support **H**elp **A**nd **R**esource **E**xchange

Today's world is ever changing and so are services in our region. S.H.A.R.E. will offer Human Service Providers an opportunity to learn about existing, new or changing services for clients. You will hear from local service providers, be able to ask questions and gain information that can assist you in meeting the needs of your clients.

The first meeting will focus on food pantries and emergency housing. Please bring your ideas and questions for follow up meetings.
