

HCBS – Training – Questions

North Country RPC Children and Families Subcommittee

January 28, 2021

Training Feedback:

- What information regarding HCBS would be beneficial to Care Managers?
- What information regarding HCBS would be beneficial to HCBS Providers?
- What information regarding HCBS would be beneficial to referral sources/CSPOA's?
- What resources would be beneficial for families?
- What other topics would be helpful for DOH to address in regard to HCBS?
- What is a specific question you have related to anything HCBS?
- Where do you get stumped the most when it comes to HCBS?

Training Modality Feedback:

A larger Town Hall Forum for HCBS Services is planned. The State is looking to then have smaller meetings to hear from providers/answer questions/gain feedback.

For the smaller meetings, which would be best for breaking these out: RPC regions, by rural providers/urban providers/combo of rural & urban, random assignment? (Intention is for networking and collaboration as well.)

- What information would you want presented at a Statewide Training Forum?
- What information would you want presented at a smaller pod meeting?
- What topics would you want addressed in a smaller forum?

HCBS In-Action:

- What is the biggest misconception of HCBS? What barriers do you think lead to this?
- What challenges have you faced providing HCBS Services?
- What challenges have you faced referring to HCBS Services?
- What challenges have you faced coordinating ongoing HCBS Services?
- What successes have you faced providing HCBS Services?
- What successes have you faced referring to HCBS Services?
- What successes have you faced coordinating ongoing HCBS Services?
- What supports would be beneficial to you to help build HCBS Service Utilization?
