<p>8/14/18 Lisa Fiato</p>	<p>Change in Due Date of Capital Grants for Preservation, Expansion and/or Restructuring of Children's Clinics and RTFs RFP</p>	<p>There has been some confusion around the 501(c)(3) status, if you are a county that operates an Article 31 free-standing clinic to serve children you are eligible. Please see below per the RFP:</p> <p>Eligible Applicants are not-for-profit organizations exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. Providers licensed pursuant to Article 28 of Public Health Law and Federally Qualified Health Centers are not eligible to apply.</p> <p>This grant is specifically targeted to Article 31 free-standing:</p> <p>A) Clinics licensed to serve children B) Residential Treatment Facilities (RTFs)</p> <p>A few clarifications that OMH wanted you to know:</p> <p>1. If you are awarded funds through this grant opportunity (per the RFP):</p> <p style="padding-left: 20px;">a. This capital funding is made available as interest free construction financing and it must be repaid with a Dormitory Authority of the State of New York (DASNY) bond mortgage. OMH would in turn fund the annual debt service for this mortgage. The Applicant must agree to an Assignment Agreement allowing OMH to make payments directly to DASNY on behalf of the Applicant.</p> <p>2. The deadline for submission of Questions has been extended to September 6, 2018 and will be posted on the OMH website on September 19, 2018. We encourage you to send in an additional questions you may have.</p>	<p>https://grantsgateway.ny.gov/intelligrants_NYSGG/module/nysgg/goportal.aspx?NavItem1=4&ngolD=5001084</p>

The project will fund sites to participate in the Autism and Developmental Disabilities Monitoring (ADDM) Network and will enhance surveillance activities at both previous and newly participating sites through two funding components.</p>	<p>https://drive.google.com/open?id=14C9ZRo2ffk9CGkD7m4SU952c0jefekDM</p>
