8/1/18 from Lisa Fiato	Children's Medicaid Health and Behavioral Health System Transformation Update July 2018	https://drive.google.com/file/d/1sm0UtF761qVIQB6FFa-NnfM5OeHr_8Ag/view CMS communicated to the State that they are now requiring the State to take a different technical approach to the federal authorization framework for implementing the Children's Transition to Medicaid Managed Care. To meet CMS' requirements for the new authorization framework, the State has proposed an alternative approach which now includes seeking concurrent consolidated 1915(c) waiver and 1115 waiver authorities. Based on the work required to draft new documents and receive CMS approvals, the State expects certain elements of the design, as outlined in the attached chart, to be delayed by three months.
