

**Long Island Partnership RPC  
Advisory Board Meeting #1  
March 29, 2017, 10:30 AM – 12:30 PM  
Melville Marriott**

- 1. Introductions** - Advisory Board Members introduced themselves, their respective organizations and stakeholder groups
- 2. RPC Logic Model** - Mike Hoffman reviewed the RPC Logic Model. It was emphasized that RPC discussions must center around issues related to the transition of behavioral health services to Medicaid Managed Care. Some of these issues are HARP, Home and Community Based Services, Health Home (adult and child/adolescent), Value Based Payments and Primary Care/Behavioral Health Integration.
- 3. Feedback Regarding VBP** – A discussion was held to obtain feedback from Board members who attended the presentation by OMH, OASAS, and DOH on 3/27/17 on Value Based Payments (VBP). Discussion included the upcoming state funding availability to develop Behavioral Health Care Collaboratives (BHCC), the complexity of VBP, and possible opportunities.
- 4. MCTAC Presentation on Medicaid Managed Care**

Boris Vilgorin from the Managed Care Technical Assistance Center provided a presentation on the important concepts around the transition of behavioral health services to mainstream Medicaid managed care plans and the Home and Community Based services available through Health and Recovery Plans (HARP).
