Goal 1: Implement Youth ACT

Goal 2: Increase crisis services for all the areas

Annual and intermediate plans for addiction services:

LGU will continue to work with providers to expand services to allow for patient access and care issues. This will begin with implementing MAT in our correctional facility and truly integrating peers into the facility.

Annual and intermediate plans for developmental disability services:

None. As OPWDD remains difficult to engage and has very little communication when it comes to crisis services.

Annual and intermediate plans for mental health services:

Continue to work to implement Youth ACT and expand all mobile crisis services.
